

Design a flower bed Competition

This year, we are inviting members of Weybridge in Bloom and local schools to create a flower bed design that truly reflects what makes Weybridge such a special place to live. Is it its local history, town centre, the great riverside views or leafy spaces? Tell us why you enjoy Weybridge by creating your own unique design based on your neighbourhood. The winning design will be planted in Churchfields recreation ground in the spring.

Information about participating age groups and how to present your design is shown overleaf but remember to follow these useful tips: colours, patterns and shapes are important. Patterns must be bold and simple enough to be planted. Try and avoid too intricate details. Simple flowerbed designs are the best.

Send your entries to:

Elmbridge Borough Council,
Green Spaces Team,
Leisure and Cultural Services,
Civic Centre, High Street,
Esher KT10 9SD

Email: leisure@elmbridge.gov.uk

Closing date: Friday 1 February

Design a flower bed competition

Entries are welcome from Weybridge School children:

- Years 3 to 6
- Year 7 to 11

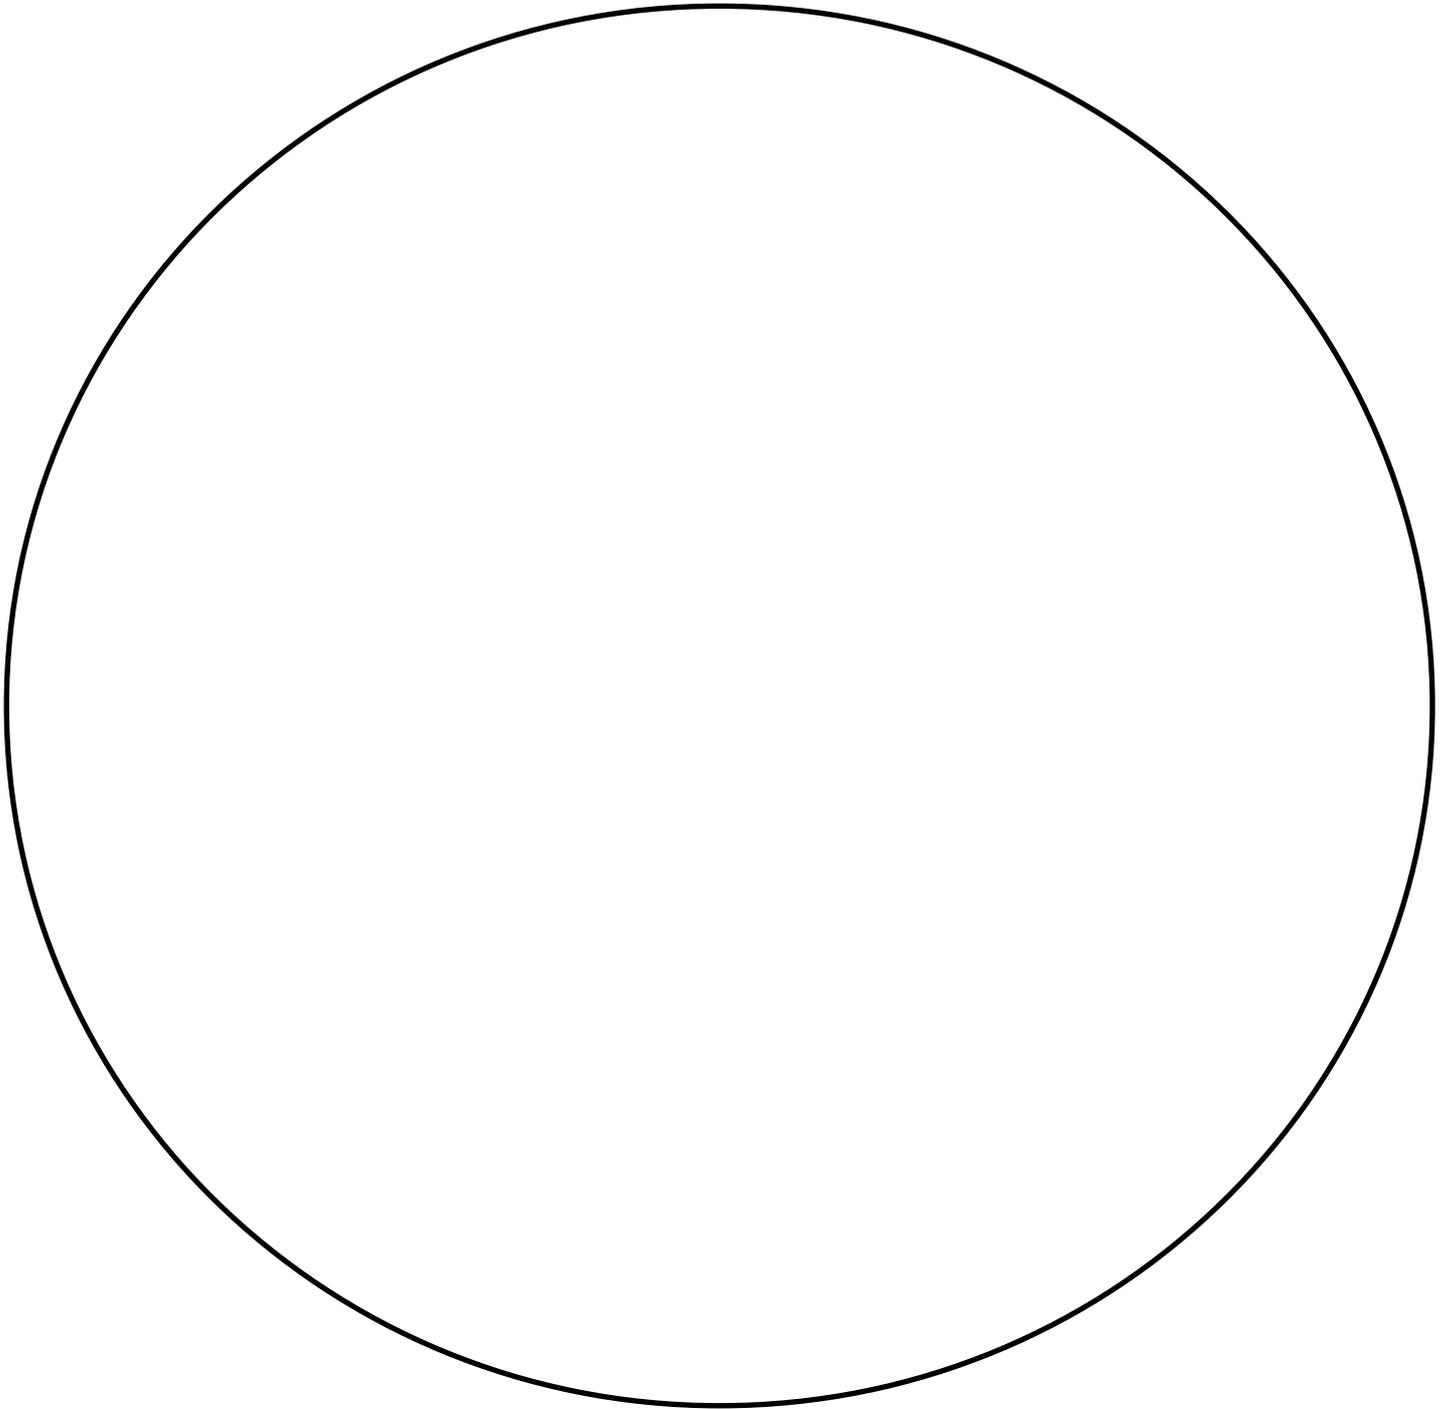

and

- Adults aged 18+

How to submit your entry:

- Draw your design on an A4 sheet using a similar circular shape as shown overleaf
- Use a minimum of 3 and a maximum of 6 colours.
- Remember, the actual flower bed is a 3 metre wide circle.
- Simple flower bed designs work best. To see examples of flowerbed designs that have been planted, visit www.instaplant.co.uk/gallery
- Fill in your details overleaf and send your design to Elmbridge Borough Council to the address provided by Friday 1 February

Design a flower bed competition

If you attend a Weybridge School, please fill in your school details:

Student's name: _____

School: _____

Year: _____

School email address: _____

Telephone: _____

If you are an adult entering the competition, please fill in your contact details:

Name: _____

Email address: _____

Telephone number: _____

Tell us where you got your idea and what your picture is depicting (in no more than 100 words).
